Re: *PNI Corporation v. Garmin USA, Inc. et al.*, Case No. 3:04-CV-04248-FMS  
June 10, 2005 Order re: Meet and Confer Session

Dear Magistrate Judge James:

Pursuant to your Honor's June 10, 2005 Order, the parties are scheduled to appear for a meet and confer session on June 24, 2005. The parties now jointly request a rescheduling of this meet and confer session to July 8, 2005, or some other time that is convenient for the Court. In support of this request, the parties state as follows:

On June 14, 2005, the parties submitted their claims to mediation in front of the Honorable Judge Edward Infante. At that time, the case did not settle. The parties, however, have continued settlement discussions and Judge Infante has requested another meeting with the parties to further discuss settlement. This meeting likely will occur Friday, June 24, 2005 or Monday, June 27, 2005.

The parties have not resolved their discovery disputes but wish to continue discussing settlement options before expending the Court's time and resources for a meet and confer session. To this end, the parties respectfully request the Court reschedule the meet and confer session for July 8, 2005 or some other time that is convenient for the Court. This extension will allow the parties to discuss settlement and, if the case does not settle, attempt to resolve their discovery disputes without intervention of the Court.

Sincerely,
